Introduction & Overview

Moblez Charity Foundation is a nonprofit organization dedicated to empowering and supporting vulnerable groups in society. Our mission is to provide relief and create sustainable solutions for widows, the elderly, and individuals with disabilities.

To achieve this, we have structured our 2025 budget strategically to maximize impact while ensuring responsible financial management. This document details our financial allocations, objectives, and sustainability strategies to keep our mission alive throughout the year.

With the support of donors and partners, we aim to transform lives and create lasting change.

Widows & Elderly Support Budget

This budget is allocated to improving the welfare of widows and elderly individuals through:

- Monthly food supplies and medical checkups.
- Emergency financial aid for widows in distress.
- Housing and basic needs support for elderly beneficiaries.

These programs ensure dignity and improved living conditions for those who need it most.

Empowerment Programs Budget

Our empowerment programs focus on long-term sustainability for beneficiaries through:

- Skill acquisition workshops in tailoring, hairdressing, and ICT.
- Small business grants for trained beneficiaries to start their own ventures.
- Mentorship and business development support.

These initiatives enable financial independence and a better future.

Physically Challenged Support Budget

Individuals with disabilities require specialized support, which this budget covers:

- Provision of mobility aids (wheelchairs, crutches, prosthetics).
- Vocational training adapted for persons with disabilities.
- Healthcare support and accessibility improvements.

This program ensures that they are included and supported in society.

Community Outreach & Events Budget

This budget funds various outreach programs aimed at creating awareness and offering direct aid:

- Organizing charity drives and relief missions.
- Educational programs on rights and opportunities for vulnerable groups.
- Annual community engagement events for impact assessment.

By engaging the community, we build support systems and amplify our impact.

Administrative & Operational Costs

Running a charity efficiently requires administrative support. This budget covers:

- Office rent and utilities.
- Staff salaries and volunteer stipends.
- Communication, transport, and logistics.

Efficient administration ensures that our programs are delivered effectively.

Financial Sustainability Plan

To keep our charity operational beyond 2025, we have implemented a sustainability plan that includes:

1. ****Consistent Fundraising Drives****: Mobilizing support through corporate sponsorships and individual donations.
2. ****Grant Applications****: Securing financial assistance from NGOs and international partners.
3. ****Self-Sustaining Initiatives****: Launching small-scale revenue-generating projects to support operations.
4. ****Transparent Financial Reporting****: Ensuring all funds are managed responsibly to build donor trust.
